Join us for GiveBIG!

GiveBIG is May 5th and 6th, but early giving has begun!

GiveBIG Washington is a fundraising event for nonprofits around the state. We have some big plans to support artists and craftspeople this spring, but we'll need your help!

Please consider visiting our GiveBIG profile today!

**We're Feeling Grateful for Our Open Space
Team.**

Today, we want to celebrate Kristina!

Lifelong Vashonite Kristina Sternberg started at Open Space in late 2018, and has since become an integral part of every aspect of Open Space operations. If you've called with a question, Kristina is the friendly voice on the line that has the answers. She's the Data Diva, Calendar Queen, and has the gift of solving problems before they even arise. Thank you Kristina for all of your organizational brilliance keeping us together and on-track while we're working from home!

We asked Kristina for her entertainment recommendations while we are at home. Her retro movie suggestion was 'Bill and Ted's Excellent Adventure.' What is your retro

movie rec? Click the red button below to let us know!

#FlashbackFriday

In the fall of 2018, we had the pleasure of working with VIVA on Festival 25, a month-long, multi-media celebration of art and music by Vashon Islanders who have shaped the Island art scene for 25 years or more. Click the button below for a link to our blog post about it!
